CONTRADICTORY REPORTS
AS TO JAMES' CONDITION
Physicians Say There Has Been No Change and He Is Not Seriously Ill.
Baltimore, Aug. 17.—Only contradictory reports could be had early today as to the condition of United States Senator Ollie James of Kentucky, who for more than two months has been a patient at the Johns Hopkins hospital. Physicians at the institution insist that Senator James' condition is "unchanged" and that his condition is not serious. On the other hand, according to some who have seen the Kentucky statesman within the past few days, Senator James' condition is very grave.

DECIDED SLUMP IN MERCHANTS' W. S. S. SALES

Mathis Says Result of Their Efforts Is Decidedly Disappointing.

The sale of thrift stamps by the retail merchants of Tennessee, has taken a decided slump, according to figures compiled by Adolph Mathis, director of retail merchants of Tennessee. For the week ending Aug. 19 the retail merchants sold only \$11,500 worth of war savings stamps. Compared to the previous week, when the sales amounted to \$17,000, there is a \$5,500 slump or a decrease in sales of about 30 per cent. For the past few weeks the sales have been on the decline but this is attributed to a great extent to the hot weather. Mr. Mathis is hopeful and expresses the opinion that things will pick up soon and that the merchants of Tennessee will go over the top with their quota in great shape. The quota for the merchants of Tennessee is roughly \$2,500,000, of which about \$700,000 worth have already been sold.

HUNS REAL MAD AT YANKEE SHOTGUNS

Amsterdam.—(N. E. A.)—German newspapers are labeling the use by Pershing's army of sawed-off shotguns as an atrocity. The Cologne Gazette says of them: "That American officers should besmirch their honor by assisting in guerrilla warfare of this kind can only be explained by the condition prevailing in the land of freedom. Our men will know whom they have to deal with on the American front; certainly not with honorable soldiers."

FIVE REASONS WHY

You should use "Green Flag" Motor Oil

- 1st—"GREEN FLAG" MOTOR OIL contains as one of its basic qualifications, a proportion of pure castor oil. This gives it clarity, and contributes to its uniformity of lubrication.
- 2d—"GREEN FLAG" MOTOR OIL helps sustain the maximum power of your motor, an evenness of performance in your engine, and a safeguard against carbonization of valves and combustion chamber.
- 3d—"GREEN FLAG" MOTOR OIL gives more mileage per gallon than any other product in its class, and is therefore a continued economy. This point has a special claim for your attention at this time.
- 4th—"GREEN FLAG" MOTOR OIL can be called for by name, with the positive assurance that you are getting what you call for, and that its quality never varies.
- 5th—"GREEN FLAG" MOTOR OIL is sold exclusively by one dealer. He handles no other motor oil. When you patronize him, you are sure of getting "GREEN FLAG" and nothing else. Even if you have to go a little out of your road to get it, it will pay you to do so. A green flag floats over his doorway. Look for it, and stop there to get your motor oil—"GREEN FLAG" MOTOR OIL.
